

KAPPA XL

A PERFECT XL PLANT OR SEEDBED MADE EASY

Productive and optimal. Creates perfect conditions for homogeneous planting and high yields on your field. Very stable platform with solid gear drive for high productivity and quality. Precisely adjustable "Waffle roller" with brush profile for even, fine-grained optimum surface structure. The "must-have" for the cultivator of crops with high quality requirements.

Durable

Extremely stable housing and gear-driven heavy rotor shaft

Adjustable

Very accurately adjustable working depth and crumbling

Waffle roller

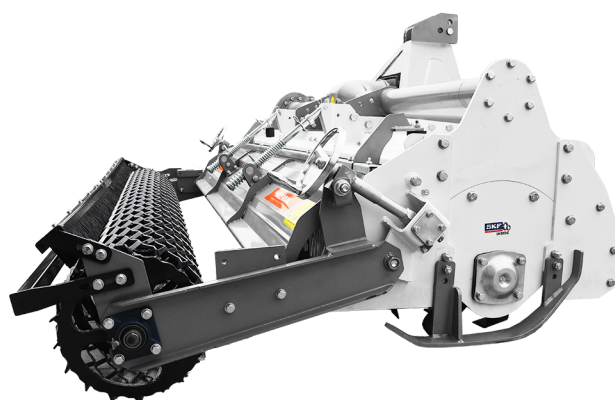

Trailing roller with tilted waffle profile for super-fine top layer

Economical

Higher yield by homogeneous nutrient medium

Powerful

Very suitable for heavier soils
