

ZETA M HYDRO

CLEAN CUT WITH YOUR BOBCAT

Effective and practical. For the Bobcat operator who also does landscaping work. Powerful hydraulic motor and interchangeable hardened knives for even cutting. Optimized Bobcat suspension and hydraulic connections for fast deployment. The ideal tool for company housekeeping, contractor, and municipal applications.

Smart design

Flexible suspended hardened blades with top accessible mounting bolts

Orbit

High-tech ORBIT-motor with very high torque and no leakage oil hose

Practical

Handy steps with non-slip profile for easy access to the Bobcat

Safe

Heavy-duty chain curtain at the front and the rear to protect against ejected objects

Secure

Integrated check and flow valve for overload protection
