

ALPHA M PLUS

THE ULTIMATE ALLROUNDER

Strong and flexible. THE mulcher with even more flexibility for semi-professionals. The classic all-round mulcher with a newly designed rear door, for fast disposal of cuttings to increase production speed. The addition of a hydraulic side-shift provides even more flexibility. Best suited for almost anything and everywhere! When required, the ALPHA M plus can mulch woody plants with a hammer or grass with Y-blades.

Multi purpose

Integrated rear door for easy switching between mowing and mulching

Adjustable

Height setting with skids and trailing roller and 42 cm hydraulical side-shift

Robust drive

Cast iron gearbox with multiple ribbed V-belts

Reliable

Durable construction with premium rotor bearings

Powerful

Excellent performance and powerful mulching even on tractors with limited power
